About the Authors

This book presents results of a series of research projects focused on sustainable Chinese cultural heritage protection and tourism development. These sponsored projects include 1) 2016 Hainan philosophy and social science planning project HNSK (QN) 16 - 28; 2) 2016 Hainan provinc “13th five-year plan” education project (QJY13516058); 3) 2017 Hainan province educational and teaching reform of colleges and universities (Hnjg2017-62); 4) 2018 Hainan province educational reform in colleges and universities (Hnjg2018ZD-15); 5) 2018 school-level scientific research team of Hainan vocational and technical college. The book was jointly composed by Professor Dr. WU Xiaohuai.

Professor Dr. Wu Xiaohuai was born in March 1972. He is currently engaged in the Haikou municipal CPPCC Committee and the Youth Committee of Hainan Province. He got his Master of tourism management from the Hong Kong Polytech University and Ph.D of management from Tianjin University. He is the dean of the school of tourism of Hainan College of Vocation and Technique and deputy director of the new urbanization and vocational education research base of Hainan Provincial Federation of social sciences. He served as the National Tourism occupation education teaching guidance committee; the Ministry of Culture China Arts Anthropology Association. He is also the vice president of Hainan Province Quality Tourism Association; and a member of the Hainan Provincial Tourism Standardization Committee of Experts.

WU Xiaohuai

Dean of Tourism College, HCVT
